### THE JASON GARFIELD "Practice 'till you Puke" ULTIMATE WORKSHOP

#### Special Workshop for Youth & Teens

through age 19. You must pre-register for this workshop. Space is limited. Sponsored in part by Bud Markowitz and Bud's Kids.

#### Circus Circus Mandalay Ballroom B

The Jason Garfield Workshop will cover a variety of skills ranging from numbers, balancing while juggling, transitions, pirouettes, how to practice, preparing for performing, preparing for competition, and stage presentation. Body positioning and usage will also be covered.

The workshop will be split into groups that will be instructed individually on their desired skill. The first workshop will begin with a brief overview of what it takes to be a proficient juggler, then followed by the separation of the class into groups, and individual group instruction.

Each class will end with a review of everything taught and discussed, followed by a brief Q&A session, ending with a discussion of what to practice in preparation of the next days workshop. The following workshop days will begin with a recap of the day before, and then lead right back into group training.

This workshop will be very flexible in terms of what is taught. If someone wants to learn something very specific that is not being covered, they are welcome to attend and ask questions regarding the trick they want to learn during the group training session.

Jason recommends you email him (jason@jasongarfield.com) and ask if the trick you want to work on falls within his training expertise). He will then give exercises to work on for the requested trick. Students can continue to use the time on that trick, on other tricks being covered, or any combination thereof.

Participants can bounce around from group to group if they don't mind being placed at different practice levels from the participants that have advanced before the new participants have begun. In all groups, the same practice techniques and principles will be taught which can be applied to any new trick they may want to work on at a later time.

#### JG Workshop Fine Print:

The parameters of this workshop are limited to technical juggling with balls or beanbags, clubs and rings. Areas not covered include but are not limited to contact juggling (one ball manipulation) devil, rhythm, flower, or any other kind of sticks, diabolo's, cigar boxes, hat manipulation, baton twirling, toilet plunger manipulation, unicycling, rola bola, free standing ladders, octopus-mobile riding, and bowling.

#### THE SKYY FLAIR CHALLENGE COMPETITION

Tuesday • 6PM FINALS

Monday • 1PM-5PM PRELIMINARY ROUND

**Golden Phoenix Hotel Casino Theater**  
The Skyy Flair Challenge will be the first ever competition to combine the best flair bartenders and jugglers into

one exciting event. Flairco and the IJA are proud to launch the initial Skyy Flair Challenge at the 2003 IJA Festival in Reno. The concept behind this event is to introduce bartenders and jugglers to each other's world using the plastic Flairco bottle as the medium.

Competitors in this challenge will demonstrate their best bottle flipping tricks, patterns and styles using the 750ml Flairco bottles as their main prop. There will be no glass allowed and competitors are not required to make drinks, unlike typical bartending competitions. For more information, please contact the Flairco offices at 1-877-TO-FLAIR (863-5247) or events@flairco.com.

Tuesday • 9PM

#### The JASON GARFIELD SHOW

#### Golden Phoenix Hotel Casino Theater

This show is scheduled at 9PM because it may contain limited coarse language.

Jason on the Jason Garfield Show

—"If you think all jugglers are the same, I will put that myth to rest.

Eighteen years of completely unnecessary intense training have earned me 3 Lucas Cups and 11 gold medals.

I am the only competitive juggler to make a previous Lucas Cup recipient surrender his trophy. In 2000 I set the world record for 11 balls and currently hold the world record for possessing more Lucas Cups than any other human being.

*I've produced the best instructional and entertaining juggling videos on the planet. My show is specific to each venue and is designed to be appreciated by jugglers and non-jugglers and some people from Alabama.*

*Non-jugglers will be thoroughly educated and informed in the discipline of juggling as it pertains to technique and its relation to the performances most commonly exhibited as well as my high level of skill as it relates to my performance.*

*For this particular performance, I guarantee to perform tricks never performed by anyone else and some tricks never performed by anyone, including myself. And of course, as always, the obligatory attempts at comedy and original quasi-humorous audience participation bits based on minimal juggling skill that embarrass innocent audience members which are only used to drag the show out to the required duration.*

*If you are a juggler and you don't want to see a juggling performance that will make you feel ashamed to be a juggler, this is the only show I recommend."*

**Tuesday • Immediately following the Jason Garfield Show**

**• JUGGLER'S JAM**

**Presented by NYC Carmine Street Irregulars City Center Pavilion**

*Sponsored in part by Bud Markowitz & Bud's Kids.*

You are invited to experience a blazin' underground dance party NYC style, ya heard!! DJ Sky on the 1&2's bringing the ruckus and slinging all the funky joints—house, club, breakbeat, alternative, garage, hip-hop, classics and more. Diverse dance music guaranteed to make you move. Come swing with us. Bring along your illuminated props to jam in the designated *Twilight Juggling Zone*. Globalls, poi, staff, swinging clubs—whatever gets your groove on. Check out who's hot! Show us what you got! (Glowsticks will be sold).

**Wednesday • 4PM Check this out! NEW COMPETITION EVENT/PRIZE \$\$ City Center Pavilion**

Two Individual prop competitions will take place on the gym floor in Reno. A 3-ball routine and a 3-club routine. Routines should be no longer than two minutes long and choreographed to music. The judging will be based on technique, presentation, and originality. Prize money will be awarded to the top three finishers in each event. \$250 for first, \$100 for second, and \$50 for third. There is no entry fee. For more information contact Daniel Holzman at (510) 758-1208 or at [dan@raspyrni.com](mailto:dan@raspyrni.com).

*The 3-club routine in this event is sponsored by Todd Smith Juggling Equipment, [www.toddsmith.com](http://www.toddsmith.com), (800) 584-4531, (216) 589-0525 (outside of the US).*

**Wednesday • 7PM • The 6th Annual IJA YOUTH SHOWCASE followed by the JUNIOR CHAMPIONSHIPS**

**Golden Phoenix Hotel Casino Theater**

The YOUTH SHOWCASE features performers up to age 18. It is a chance for beginner jugglers to have a first experience in front of a large audience, and for more advanced jugglers to show the results of years of hard work. Besides beanbags, rings, clubs and diabolos, the show will include choreographed routines, comedy, live music, anti-jugglers and a juggling piece created in Reno. Rhys Thomas, performer extraordinaire from Portland, Oregon, will be the emcee. Join us for a fun evening and support these young jugglers!
