FRIDAY

JUBILANT JUNIORS!

Congratulations to the 2011 IJA Juniors champions! Three young performers gave us a great show.

Silver: Jack Denger

The show was produced by Jim Hendricks and MCed by the Jeremys (Fein and Perkins).

PEOPLE'S CHOICE: VOTE!

Which of this week's amazing performers inspired and awed you the most? Use the Rastelli buck in your registration kit to vote for that person for the People's Choice Award. Drop the Rastelli Buck in the People's Choice box on the IJA table in the gym to make your vote count! Voting closes at 3pm tomorrow, and the winner will be announced at the Cascade of Stars.

So, how did you like this year's fest? With two days left to go, it still might be a little early to decide. But, all the IJA bigwigs would love to hear your feedback on the festival, the city, the Civic Center and anything else you'd care to share about your week in Rochester. Please take a few minutes in the next few days to fill out the online festival survey while all the memories of the 2011 fest are fresh in your mind. The survey is online now at juggle.org/survey.
